About Bishop Wangari

The Lord called Bishop Wangari into the ministry when she was in High School. She took Kenya by storm as many miracles, healings and signs and wonders manifested in her countrywide crusades in the name of Jesus.

The lame walked, the blind saw, the deaf heard and sinners were redeemed. Bishop Wangari continues to bring the good news of the Lord Jesus Christ with signs and wonders following. Her gentle, humble and compassionate spirit draws the needy, the lost and the desperate to God.

After her miraculous call, the late Bishop Benson Idahosa of Nigeria mentored her. She also ministered with the legendary Kathryn Kuhlman. Bishop Wangari has been anointed to flow in all of the spiritual gifts. She has founded and oversees over sixty churches in Kenya. The Lord has opened doors for her ministry to reach the nations with the good news of spiritual and physical healings to many in need.
