After having attended several All Night Prayer Vigils in honor of the ALLIANCE OF THE TWO HEARTS OF JESUS AND MARY, incredible graces have flowed into my life.

My love and devotion to the hearts of Jesus and Mary has deepened.

God in His mercy showed me areas of serious concern in my family that needed to be addressed with deeper repentance and conversion of heart on my part. With ongoing determination, I continue to yield to the purifying work of the Holy Spirit.

Many new and exciting developments are happening in our parish community at St. Antoninus and beyond our borders. Greater and greater emphasis was being placed on prayer days of reparation. The All Night Vigil that ushered us into Holy Week was outstanding. The floodgate of God's graces are still flowing abundantly; a greater hunger and thirst for the Eucharistic Lord, docility to the Spirit, unity within the Body, greater humility and reverence within the Church. PRAISE JESUS & MARY!!!

On PALM SUNDAY the weekend of our All Night Vigil at St. Antoninus, the FACE OF CHRIST appeared on a photograph that was taken of me a few weeks earlier. The image was that of Divine Mercy underneath a large palm tree plant beside me. Sometime later, it was discovered that when you turn the image upside down, it becomes the image of the crucified Face of Christ. AWESOME!!!

As a Promoter for the Vigil, I continually emphasize that it is a tremendous source of graces. Indeed that word was confirmed and fulfilled by JESUS & MARY that weekend. ALLELUIA!!!
